

## ~The Love Language of Heaven and Earth~

by: Phoenix OnFire

Yesterday was not a day I would ever want to record in the book of Life...in Heaven or my own. But I learned a lesson about GOD yesterday that I will never forget.

Dr. Gary Chapman was inspired to write a book called: The 5 love Languages. Yesterday I learned that GOD indeed has a Love Language of His Own.. Of Heaven... as well.

'His Love Language', (What HE desires to be done toward Him) is made up of Trust, Faith, and Simple Obedience to His Will. It is in seeking His Presence and Face, in listening to Him that He is acknowledged, and in our obedient action that He is most honored. THIS is Love to GOD..showing Him Love.. and HE responds with JOY! In doing this we have blessed His Heart! <3

As a woman, as a human being.. my Love Language of earth is different. I desire to be Seen...Heard...Acknowledged...Understood...Validated (regardless of whether I am right or wrong at the moment) and comforted and counseled when appropriate.

So.. in these two very different Love Languages there was some confusion on my part. I did not know the lesson that GOD was teaching me here until this morning. All I knew is that Yesterday was MISERABLE with neither of us not being able to say a word that Hurt the other. So.. we did not speak much.

To many ..maybe the faith and relationship I have with GOD is scary. But GOD is more than words in a book called the BIBLE.. HE IS HIS WORD.. and to know HIM as the WORD become FLESH is to see the words on a page transform before you into a Most Beautiful BEING that you can fall in Love with! <3 And. HE.. You. <3

Because of demonic pressure through unsaved humans, through false prophecies, through my own impatience.. I decided to in a sense ..'force God's Hand' to speak to me. That specifically might not have been what I set out to do.. but after 26 years of seemingly endless promises I decided to SEE if I was 'missing Him someplace', to take all He had put in me and point it in a specific direction. Yet.. I did not know exactly what that looked like or IF HE was waiting for me to give Him some 'framework' to work with.

Sometimes people think FAITH is just DOING what they feel they have learned. This is NOT TRUE FAITH in GOD but works. Religion does that. It teaches you to give to others and then adds guilt because you have not done enough. Then.. you begin to feel condemnation and so you go out any place to just DO something to EARN GOD's FAVOR. (NOT GOD)

Sometimes people think FAITH is sitting around on your couch eating Bon Bons and watching the Soaps.. and when GOD needs you HE'll light up the sky or burn up the TV so you can get called to DO what mysterious thing He is asking. (NOT GOD either) Faith is in action!

FAITH is actually FLUID...it builds a FRAMEWORK of all of the things GOD says and does.. a VISION is the FRAMEWORK that GOD designs and places in your mind. He most often does not give the intricate or specific details at that time.. but HE gives one the general picture or concept.

The **FRAMEWORK** that I give is my **FAITH** in active waiting.. in prayer.. in doing what I **KNOW** to do as He has taught me so far.. and in stepping out from time to time to see if I am in **GOD's WAY**. In giving **GOD** this type of **FRAMEWORK**.. He is free to speak and direct me.

**GOD** gave **NOAH** the command to 'Build the **ARK**'. He told him about the flood, the animals, and the timeframe to get ready. He **THEN** when the time was right.. gave him the details...very specific ones indeed! But, if Noah had **NOT** responded to what **GOD** had said by doing his best to keep in step with Him.. he never would have accomplished **GOD's** plan for his life.

Noah had to struggle against demonic oppression too through all of the people that scoffed at him for building this ark. But if he had listened to them.. he too and his family.. would have perished!

Abraham was given a vision as well..general.. then specific.. and in his own impatience.. he did what I did. He tried to fulfill **GOD's** promises to him through Hagar.

Sometimes when we are broken.. like me.. and have no sense of who we are in **HIS PLAN** as yet.. (not generally, but specifically).. we tend to 'get impatient'.. begin to distrust that **GOD** wants us to succeed.. because we have hung around the **HOUSE** mostly for so long.. while others are called out. The devil comes to reinforce the past.. and tries to skew our view so that we feel we will **NEVER ESCAPE** what **WAS**...

The Impasse between the **LORD** and I came to an end in the middle of the night. Sirens were blazing out my window and I awoke to them ... scared. I felt distant from Him.. and reached for **HIM**.. "LORD, are you there? I hate this distance. I'm scared."

"I am here", He replied. "I'll never leave you nor forsake you."

"Can we talk things out?" I asked

"I'm ready" He answered.

In the dark of night.. I began to understand Him more. The way He feels honored.. the way He wants me to see Him... to Love Him. And.. even though He **Already** knew.. He let me tell Him how I needed to be loved.. and understood.

The Cover of my **BIBLE**.. (Ironically) says: **TRUE IDENTITY**. Hahaha .. this morning when I woke up to start this day.. I went to the **WORD** to seek **HIM** once again.. to ask **HIM** to show me 'WHO I AM?!'

He Answered this first: Isaiah 32:4 "The mind of the rash will know and understand, and the stammering tongue will be fluent and clear."

My mind will come to know.. as I **WAIT** further on **HIM**. and I will not have to **GUESS**.. my tongue will not falter in speaking who I am.. because **HE WILL** put it within me.

Psalm 37:6 "He will make your righteousness shine like the dawn, the justice of your cause like the noonday sun."

He will **COMPLETE** me and I Will be like **HIM**.. **SHINING** as the **NOONDAY SUN**... He knows my Heart.. He knows my cause.. and He will cover me and defend me until He has made me **WHO** He desires me to be.

This morning I see **GOD** anew.. more than **GOD**.. more than a Father.. more than a **BRIDE-GROOM**.. As **ONE** who is **ENTANGLED UP** in me and I in **HIM**.. **ONE**.. in Breath.. in Heartbeat.. my closest confidant and **FRIEND**. <3
